

Green Phoenix festival

SUNDAY
30TH JUN
FROM 10.45AM

AUDITORIUM - ALL DAY
Open mic music hosted by Extinction Rebellion and a variety of community stalls where you can learn about local initiatives.

CHASING ICE: A BOBSLEDDER'S JOURNEY IN A WARMING WORLD 
From all the dimensions that climate change impacts our world, one is its impact on sports. Ethical Power presents Josh Hudson, the youngest pilot competing for the Great Britain Bobsleigh Team.

POCO UNPLUGGED: ACOUSTIC ANIMAL SONGS FOR FAMILIES 
Join Paul, one half of Electro Fuzz POP duo Poco Drom, for a stripped back acoustic journey into their world of animal and nature songs.

LAND EMPATHY CREATIVE DANCE WORKSHOP 
An immersive movement experience with Richard Chappell Dance, exploring how dance and movement can be linked to the values of climate activism.

PRINT, PLANTS AND POLLINATORS 
Using the site of the former Countess Wear paper mill as inspiration, explore the biodiverse plants and insects that now thrive there. Hosted by The Double Elephant Print Workshop.

ECOE RETROFIT WORKSHOP
Exeter Community Energy social enterprise offer practical retrofit advice for your home.

THE GREEN PHOENIX PROJECT: THE STORY SO FAR
Gemma Baal, who heads up the Green Phoenix Project at Exeter Phoenix, will present an update on our achievements and challenges, along with some key tips and tools of the project.

TINY HOUSE FAMILY LIFE Q&A WITH POCO DROM 
Join Paul and Ann from family friendly electro fuzz pop duo Poco Drom for a journey into their tiny house family life.

MIS-BEE-HAVING WITH THE CRAFTING COWBOY! 
Join the crafting Cowboy making Bee Seed Bombs and paper bee-balls.

THE MOSSY CARPET 
A hands on creative session for all, making and stitching pompoms with The Art and Energy Collective.

DISCO SOUP MAKING 
Turnip the Beet with Disco Soup – roll up your sleeves to help us make vegan soup from sustainably sourced veg – local, organic and surplus. All ages welcome. Delivered by Love Food CIC, The Crafty Cook CIC & Ecotainment's Tip of the Pops DJ.

LIVING WALL TOUR
Find out about Exeter Phoenix's newly installed Living Wall and rainwater harvesting system.

REGEN PRESENT: SOUNDING CONNECTIONS – LIVE SOUNDSCAPE PERFORMANCE + Q&A
Immerse yourself in a live soundscape performance, commissioned by Regen with sound artist Cameron Naylor. Join us on a journey through explorations of renewable energy, community energy, and energy democracy.

IXORA ENERGY - HOW ANAEROBIC DIGESTION POWERS HOMES: SHORT FILM 
Ixora Energy's fascinating film demonstrates the anaerobic digestion (AD) process used in generating renewable energy, from start to finish.

GREEN POETRY: RETHINKING NATURE WRITING
This workshop will look at examples of green poetry and nature writing throughout the ages, before providing you with some creative focus time to develop an eco-poem of your own.

LITTER PICK & WELLBEING WANDER WITH BE THE CHANGE SOCIETY
Join Be the Change society from the University of Exeter for a litter pick (and wellbeing wander) in and around Northernhay Gardens. Meet at the bottom of the Exeter Phoenix front steps.

DR BIKE SAFETY CHECKS
Ride-On offer free 'check and tune' 30 minute bike sessions, dealing with any quick fixes and advising on any more major works people might need.

'NOT JUST A DROP IN THE OCEAN' 
A roaming dance performance by Chhaya Youth taking place in Rougemont Gardens.

WILDSCREEN FILM FEST. 'BEST OF' 
Green Phoenix has partnered up with Wildscreen to deliver a sensational screening of the best films from Wildscreen's film festival, documenting our relationship with the natural world.

LOCALLY SOURCED STAND-UP COMEDY
Locally sourced new material comedy, zero carbon maximum laughs. Hosted by Will Adamsdale with very special guests.

PANEL DISCUSSION: CONSIDERING COMPASSIONATE AND COOPERATIVE CAPITALISM – RETHINKING NATURE AND NATURAL RESOURCES
Ionna Trofimova Elliot (ECOE) in discussion with Dr Raphaëlle D. Haywood (The Global Systems Institute, The University of Exeter) and Paul Fryer from PocoDrom.

EXETER CLIMATE CAFE
Grab a coffee and a slice of cake from the Cafe Bar and join trained facilitators in a safe space to share how climate change is affecting you.
