TRAILS

FAMILIES

Here is a trail packed with family-friendly activities! Spend your Sunday diving into crafts, workshops and entertainment, and learn a little about our natural world.

	What	When	Where
Disco Soup	Vegan soup workshop, learn about a sustainable and fun diet (and have a boogie).	11am- 4pm	Workshop
Mis-BEE-having	Make seed-bombs with Crafting Cowboy.	12-3pm	Meeting Room
Poco Unplugged	A mid-day dance party with Poco Drom as they play quirky and funky animal sounds mixed in with fuzz pop beats.	1:30-2:30pm	Studio 1
Not Just a Drop in the Ocean	An immersive open-air intercultural performance.	1:30-2:30pm	Rougemont Gardens
Land Empathy	A soothing dance workshop communicating with nature through meditative movements.	3-5pm	Studio 1
Tiny House Family Life Q&A with Poco Drom	Learn about their little family on the move and how they create sustainable music.	3:30-4:30pm	Studio 2
The Mossy Carpet	Make and sew pom poms.	3:30-5:30pm	Meeting Room
Widescreen Film Fest	A cozy evening of documentaries about how nature can become our home.	4:30-7pm	Studio 74

Check Out These Stalls in the Auditorium! Butterfly Conservtion, FLOW: Exe River Orchard, Tidelines/ Salmon Run, Greenpeace

CULTURE VULTURES

Here is an artsy, creative trail for you to explore the various ways, culture, music and performances responds to natural environments and the ongoing climate crisis

	What	When	Where
Print, Plants and Pollinators	Drop in to the workshop with the Double Elephant to learn printmaking across different mediums.	11am-12pm	Studio 2
Climate Cafe	Have a fun chat about inclusive community building and nature connections.	12-1:30pm	Secret Garden
Regen Presents: Sounding Connections	Cameron Naylor's experimental art piece, Sounding Connections, takes you on an immersive journey of affective music and natural communities.	12:30-1:30pm	Studio 74
Not Just a Drop in the Ocean	Witness the evocative multicultural performance by Chayya Dance Group	1:30-2:30pm	Rougemont Gardens
Green Poetry	Put feelings into poetry with Beth Howell as she guides you through an enriching history of eco-writing.	2-4pm	Secret Garden
Land empathy	Join Richard Chappel's creative choreography and learn about his research on generating land empathy through movement, collaboration and cohabitation.	3-5pm	Studio 1
The Mossy Carpet	Contribute to the Mossy Carpet Project by sewing in some Pompoms.	3:30-5:30pm	Meeting Room
Wildscreen Film Fest	A relaxing evening of 3 inspiring nature documentaries presented by Wildscreen which tell the stories of connection, discovery and home.	4:30-7pm	Studio 74
Locally Sourced Stand-Up Comedy	End the festival with some quirky up-beat comedy.	6pm	Auditorium

Check Out These Stalls in the Auditorium! Regen, FLOW: Exe River Orchard, Exeter Science Centre, Exeter Green New Deal Rising

Green Phoenix Festival

ECO-LOVERS

Here is an interactive trail that enables you to make the most of your day learning ways you can make real-life, small-scale changes for a greener future.

What	When	Where
Panel Discussion: With University of Exeter	Enjoy a talk from Professor Ionna Trofimova Elliot and Paul Fryer on how climate activism is attempting to fix the damage caused by fossil fuel consumption.	11am - 12pm Studio 74
Chasing Ice: A Bobsledder's Journey in a Warming World	Or: join Josh Hudson in his journey of practicing eco-conscious sports and learn ways in which bobsledding is intertwined with issues on climate change.	11am - 12pm Studio 1
Litter Pick & Wellbeing Wander	Make some real impact with the University's Be the Change Society and go on a litter pick up at Northernhay Garden	11:30am - 1pm Outside (meet at entrance)
Dr. Bike. Safety Checks	Register for a safety check for your bike.	11am - 4pm Astroturf
Living Wall Tour	Book in our Living Wall Tour as and learn about our beautiful green flowering wall-patch.	11 am, 1pm, 3pm Outdoors
ECOE Retrofit workshop	Drop in and workshop with ECOE's retrofitting projects to find out ways you too can sustainably transform your home.	12:30 - 1:30pm Studio 2
Green Phoenix Project: The Story So Far	Attend Gemma Baal's informative discussion of how far the Phoenix has come to become a truly green arts venue and all our future plans.	2 - 3pm Studio 2
How Anaerobic Digestion Powers Homes	An informative documentary by our sponsor Ixora on Anaerobic Digestion, shown on a loop.	2 - 4pm Studio 74
Tiny House Family Life Q&A with Poco Drom	Join Paul Fryer again with Anne as they talk about their little van life, discussing the challenges of raising a family and living sustainably.	3:30 - 4:30pm Studio 2
Wildscreen Film Fest	End your day with evocative nature documentaries by Wildscreen on exploration, identity and nature.	4:30 - 7pm Studio 74

Check Out These Stalls in the Auditorium! ECOE, Ixora Energy, FLOW: Exe River Orchard
